DEFINITIONS:

FAMILY - ***A family pass includes all family members residing at the same address (children who are home from college, children of parents who are divorced with joint custody, stepchildren, and foster children). This does NOT include live-out babysitters/nannies, visiting relatives (cousins, grandchildren, grandparents, etc.) or ex-spouses. Live-in babysitters/nannies can be included on a family pass if they reside year round at your residence. Proof of residency must be provided (bank statement, credit card bill, driver's license, etc.)***

PLUS ONE - ***At the request of a parent, an optional "plus one" sticker may be purchased and adhered to an individual youth pass or affected family member's pass who requires assistance to safely swim at the pool. The "plus one" sticker would permit entrance by a resident or non-resident child care provider (i.e. babysitter, nanny, etc.) into the pool only when specifically assisting that pool pass holder. This optional sticker will apply only to pass holders age 12 and under and only one sticker will be issued per family.***

AIDE - ***An optional "aide" sticker may be purchased and adhered to an individual senior or adult pass in cases where a health care assistant is needed in order for the pass holder to safely swim at the pool. This sticker will permit the resident or non-resident aide entrance into the pool only when specifically assisting that pass holder. A letter from the pass holder's doctor documenting the need for a health care assistant must be submitted to the Department for consideration.***

WIRTH AQUATIC CENTER

The City of Brookfield takes the issue of recreational water illnesses (RWIs) very seriously. In an effort to protect patrons of the Wirth Aquatic Center, we are asking that all diaper-wearing children wear a plastic diaper cover over their swim diaper or other diaper. Wearing this extra layer of protection will assist us in decreasing the exposure of fecal and other contaminants from entering the water through leaky diapers. Patrons who do not bring one of these covers to the facility will have the option of either purchasing a re-usable cover for $5, or utilizing a basic cover supplied to you at no cost. We thank you for your efforts in helping us keep the Wirth Aquatic Center a healthy swimming environment.
