[US Newsstream for the Home User](#)

US Newsstream enables users to search the most recent premium U.S. news content, as well as archives which stretch back into the 1980s featuring newspapers, newswires, blogs, and news sites in active full-text format. For academic and public libraries, US Newsstream offers exclusive access to the Los Angeles Times, Chicago Tribune, and co-exclusive access (with Factiva) to The Wall Street Journal. US Newsstream also offers one of the largest collections of local and regional newspapers, and is cross-searchable on the ProQuest platform.
