

City of Brookfield Celebrates Arbor Day 2019

Each year, the city of Brookfield celebrates Arbor Day by having a special program at one of our schools. This year, we will celebrate Arbor Day at Dixon Elementary School at 10:00 AM on Friday, April 26th, 2019. Mayor Ponto will deliver the Arbor Day message and students will be involved with planting a tree. Kim Sebastian, from the Department of Natural Resources will present the City with a Tree City USA award.

The city of Brookfield has been named a Tree City USA by the Arbor Day Foundation every year since 1998. The city of Brookfield's Department of Parks, Recreation and Forestry is responsible for all public tree care in the community.

Special thanks to our friends at WaterStone Bank of Brookfield for sponsoring the 2019 Arbor Day Celebration.

The city also has a Memorial Tree Program. For a relatively small contribution, a person can have a tree planted in Brookfield's parks and public landscaped areas in memory of someone who has died or to commemorate a special day or event. For more information about this program go to: <http://www.ci.brookfield.wi.us/DocumentCenter/Home/View/1702>, or call the Parks, Recreation, and Forestry Office at 262-796-6675.
