The normal student to teacher ratio is 15:1. All instructors are over 18 years of age and have an extensive golf background.

Dress

Golfers should wear casual clothes and comfortable, flat-soled shoes.

Equipment

Students are responsible for providing their own clubs. **Please bring a 7 or 8 iron to the first lesson.** Golf balls will be provided by the Department for youth lessons. Adults must purchase their own range balls; please arrive early to purchase balls prior to class start time.

***Note to Parents of students in Youth Lessons:**

Please be sure to have **Junior sized** clubs for your child. If you have adult sized clubs, your child will have a very difficult time making progress.

*Adult size clubs may be cut down to proper size. This may help those of you that have an old set of clubs at home. Please **don't** send your son or daughter to lessons with golf clubs that are too long or too heavy!
