Fire Protection Permit Application Grand Total		

Make check or money order payable to: City of Brookfield.

Refer to the City of Brookfield Municipal Code: Chapter 8.08 Fire Prevention and Life Safety Code at www.codepublishing.com/WI/Brookfield for fire protection rules and life safety regulations.

Note: All new alarm systems, regardless of the number of devices, any existing fire alarm system being worked on that involves adding or replacing 20 or more devices, and any sprinkler project involving work over 20 heads (new systems or expansion of existing systems) needs State of Wisconsin approval before submittal to the City of Brookfield. Refer to the State of WI Department of Safety and Professional Services at www.dsps.wi.gov for further instructions.

It is Hereby Agreed between the applicant, as owner, owner's agent or servant, and the City of Brookfield, that for and in consideration for the remises and of the permit to construct, erect, alter or install and the occupancy of building as above described, to be issued and granted by the Building Inspector, that the work thereon will be done in accordance with the descriptions set forth in this statement, and as more fully described in the specifications and plans herewith filed; and it is further agreed to construct, erect, alter or install and occupy in strict compliance with the ordinance of the City of Brookfield, and to obey any and all lawful orders of the Building Inspector of the City of Brookfield and State Laws relating to the construction, alteration, repairs, removal and safety of buildings and other structures and permanent building equipment.
