NOTICE OF RESIDENT MEETING

Traffic Calming Program Request *Robinwood Street*

The City of Brookfield adopted Neighborhood Traffic Calming Guidelines in July 2008. You are being notified because the City has received a concern regarding a traffic problem in your neighborhood on Robinwood Street from 124th Street to Elm Grove Road. The City has determined that the concern is eligible for the traffic calming process. Therefore, the City has scheduled an initial meeting with the residents that identified the traffic concern through your Aldermen, Kathryn Wilson and Brad Blumer.

Please Attend

- The initial goal of the meeting is for the City staff to explain the Neighborhood Traffic Calming Guidelines to provide a clear understanding of the program and its process.
- The second goal of the meeting is to define in detail, with the help of City staff members, the perceived traffic problem and complete the Neighborhood Traffic Calming Guidelines application form. An application was already submitted, however, a survey will be mailed after the meeting to determine if at least 50% of residents along Robinwood Street have a traffic concern. A completed application must include a response from at least 50% of the households indicating a traffic concern on the street segment described in the application.
- More information about the City's Traffic Calming Policy and Application can be found on the City's website: <http://www.ci.brookfield.wi.us/DocumentView.asp?DID=990>.
- The final goal of the meeting is for the City staff to provide information on how and when the process will continue.

The traffic concern meeting will be held in the Council Chambers, Brookfield City Hall, 2000 North Calhoun Road on Tuesday, August 10th, 2021 at 6:00pm.

Please Contact

If you have any questions or would like additional information, please contact Natalie Schneider or Jackie Quandt, Special Projects Engineers, City of Brookfield, at (262) 787-3543. If you are unable to attend this meeting, written comments may be directed to Natalie Schneider or Jackie Quandt, City of Brookfield Engineering Division, 2000 N. Calhoun Road, Brookfield, WI 53005.

Notice: Any person who has a qualifying disability under the Americans with Disabilities Act that requires the meeting or materials at the meeting to be in accessible format, please contact the Brookfield City Clerk forty-eight hours before the meeting at (262)796-6653 so that arrangements may be made to accommodate your request.
