NOTICE OF NEIGHBORHOOD INFORMATION MEETING City of Brookfield Initiated Rezoning Moorland Road Overlay Area – MSO

As a neighbor¹ of certain properties or directly impacted property owner located within the Moorland Road Overlay area, you are hereby invited by the City of Brookfield to a Neighborhood Information Meetings to be held on:

Thursday, November 19, 2020 - 6:00 P.M. to 7:00 P.M.
Common Council Chambers – City Hall
2000 N. Calhoun Road - Brookfield, WI

The City of Brookfield is requesting approval of refining the existing Modified Suburban Overlay (MSO) zoning previously established on certain properties located within the Moorland Road Overlay area and establishing the Modified Suburban Overlay (MSO) zoning on certain properties located within the area. The City has determined there is a need for certain text amendments to the City Zoning Code for these MSO areas. Generally, the refinements establish standards for building and pavement setbacks and offsets, green space ratios, floor area ratios, and similar standards.

The meeting is an open house. No presentation will be made. City staff will answer questions regarding the MSO zoning process and will collect written comments for the Common Council and Plan Commission. Those in attendance at the meeting must abide by the rules of masking and social distancing requirements under government orders, including occupancy limits.

A public hearing regarding this matter is scheduled for December 1, 2020. A separate public hearing notice will be mailed.
