PARKS, RECREATION AND FORESTRY DEPARTMENT
RAINBOW MODIFIED FAST PITCH LEAGUE RULES AND PROCEDURES
Grades 7&8**

PROGRAM OBJECTIVE

The primary purpose of the leagues is to offer youth an opportunity to participate and enjoy a recreational experience in a healthy competitive setting. The emphasis is upon participation, character development, good sportsmanship, and enjoyment. The league is conducted under supervision of the Brookfield Parks, Recreation & Forestry Department, hereafter referred to as the "Department".

NOTE: All games will be played according to the WIAA rule book. Local rules and adaptations will supersede where applicable. Two competing teams or coaches may not agree to alter any rules.

I. ELIGIBILITY AND ROSTER

- A. All players must be registered through Parks & Recreation prior to participation in any league.
- B. All registered players will be assigned to a team by the Department. There are no cuts. Coaches cannot add players to the team roster at any time.
- C. The procedure for assigning players to teams is outlined on the registration form. For equity and consistency, an effort is made to assign an equal number of players to each team.

II. FACILITY POLICIES

- A. Supervisors and/or umpires assigned by the Department are responsible for the total operation of program facilities.
- B. No spectators are permitted behind the backstop during the course of the game.

III. EQUIPMENT

A. Uniforms

- 1. Team T-shirts are provided by the Department as part of the registration fee which should be worn at all games. **LONG** pants are recommended.
- 2. Tennis shoes are recommended. Molded rubber spikes may be worn (metal spikes are not allowed).
- 3. Batters, base runners, and on-deck batters are required to wear batters helmets.

B. Balls – 12" Softball

- 1. Two game balls will be provided by the field supervisor or umpire for each game. One ball will be given to each team at the conclusion of the game for practice use if available. If only one ball, the home team will receive it.

C. Jewelry-Casts

- 1. For safety and injury prevention, all exposed items that are judged to be hazardous or potentially dangerous by the field supervisor and/or umpire may not be worn during the game.

2. This includes, but is not limited to, casts, wristwatches, large rings, bracelets, neck chains, splints or earrings that extend below the ear lobes.

IV. FIELD DIMENSIONS

Between Bases	Pitching Distance	Home to Second

V. PLAYERS AND SUBSTITUTES

A. Line-ups and Batting Orders

A team shall consist of players in the following positions: pitcher, catcher, first baseman, second baseman, third baseman, shortstop, left fielder, center fielder and right fielder.

1. **FIVE MINUTES** prior to the start of the game, both coaches must submit the official line-up card, listing the batting order, to the plate umpire.
2. Teams may begin and play a game with only **eight (8) players**. A team shall not be permitted to start or continue a game with less than **eight (8) players**. Result – forfeit.
3. Teams having less than thirteen (13) players on the roster may begin and play a game with only **eight (8) players**.
4. There will be a ten (10) minute grace period for the start of the game if a team has less than the appropriate number of players to start.

B. Continuous Batting Order Rule

1. Teams **MUST** list **ALL** players reporting for the game in the batting order prior to the start of the game. Each player will then bat in the line-up order for the entire game.
2. Late arriving players are assigned to the last position in the continuous batting order.
3. No player listed in the batting order may leave the order unless they become injured. In the event a base runner becomes injured, the player who made the last out will become the pinch runner. If a player leaves the game due to an injury, their position in the batting order is left vacant, and **NO PENALTY WILL BE ASSESSED**.
4. Players removed from the game or batting order due to injury may not re-enter the game for a minimum of one (1) complete inning. However, after one (1) complete inning, coaches may request of the Field Site Supervisor that the player in question be allowed to re-enter the game. The Field Site Supervisor will only allow a player to re-enter a game if it is in the best interest of the player. The decision of the Field Site Supervisor is absolutely non-debatable.

C. Minimum Playing Time Rule – Coaches are strongly encouraged to play each player equally in the field, however:

1. Every player must play in the field at least two (2) complete innings of the first four (4) innings. By the third inning all substitutes **MUST** have entered the game.
2. Free substitution for all leagues after the fourth inning.
3. Coaches will be “on their honor” to follow the substitution rule. Umpires will **NOT** keep a record due to the time required.

VI. THE GAME

A. Start of the Game

1. The umpire or field supervisor shall have final authority in determining the amount of pre-game practice to be permitted which should be concluded five (5) minutes prior to the scheduled game starting time. Practice will be permitted to teams playing the second game only if there is sufficient time to accommodate both teams.
2. Teams shall be prepared to start games at the designated time.
3. There is a ten (10) minute grace period for the start of the game if a team has less than the appropriate number of players to start. **(See rule V. A. 4)**
4. The starting time of the game must be noted on the score sheet.
5. 15 Run Rule: If the leading team is ahead by 15 runs or more at the end of official time, the game will end and the score will stand regardless of the number of innings that have been completed and regardless of which team is at bat.

B. Length of Game

1. All league games will be six (6) innings or a seventy-five (75) minute time limit. No new inning will start after the time limit expires. Clarification – A new inning begins immediately after the third out of the previous inning has been made provided there is time remaining.
2. Any new inning started before the 75 minute time limit will be played to a maximum of 90 minutes. At 90 minutes the game will be called even if both teams have not batted. At the point the game is called, the last complete inning will constitute the final score.
3. If the home team is batting and leading in score when the time limit expires, the game is over immediately.
4. No extra inning games will be played. Games ending in ties will be recorded as half a win and half a loss.
5. A game called due to weather conditions, or darkness, will be regulation if a minimum of three innings at bat have been played. Games tied will also be regulation. At the point the game is called (assuming the game is complete according to the above), the last complete inning will constitute the final score.
6. The field supervisor has authority to determine if a game is to be stopped due to rain, darkness, or other conditions. In the absence of the field supervisor, the umpire-in-chief will have this authority.
7. Any second game on the schedule will receive the full time limit from the time the game starts.
8. The field supervisor's watch is the "official time". In absence of the field supervisor, the plate umpire's watch will be the "official time".

C. General

1. Cancellations – Postponements – Inclement Weather

If there is any doubt as to whether or not the diamond is in playable condition, the following procedure will be used:

- a. The Department will cancel games up to 5:00 p.m. Team coaches **ONLY** are requested to call the Recreation Newsline, **(414) 297-9565**, from 3:00 p.m. to 5:00 p.m. to find out if games are cancelled. Normally a decision will be reached by 4:30 p.m. Cancellation of games or additional information can be found on the City of Brookfield website at <http://www.ci.brookfield.wi.us>.

- b. After 5:00 p.m., participants may call the Newsline to receive a recorded message indicating if the games have been called prior to 5:00 p.m.
 - c. If the games have not been called prior to 5:00 p.m., teams must appear at their game location and the field supervisor and/or umpire-in-chief will make the final decision.
 - d. Games will NOT be re-scheduled to accommodate teams with players not available on scheduled dates.
2. **Re-Scheduled Games**
- a. The department will schedule ten games in a season. All efforts will be made to reschedule as many cancelled games as possible. However, due to extremely poor weather conditions over a period of time, only eight games in a season will be guaranteed.
 - b. Most re-scheduled games will be on week nights and occasional Saturdays. League games which are re-scheduled will have field priority over previously scheduled team practices.
 - c. Re-scheduled games will not be scheduled to accommodate the availability of players and coaches.
3. **Official Score Book** – The HOME team will be responsible for keeping the score during the game. The umpires will verify the score after each half inning with the official scorecard. At the conclusion of the game, both coaches must sign the scorecard in order for the score to be official.
4. The team bench is restricted to players and four (4) coaches. For safety reasons, players in the bench area should remain seated and behind the fence.
5. **FORFEITURE OF GAME** – Teams will forfeit a game when:
- A team will automatically forfeit when an adult coach is not available at the team's bench at the scheduled starting time.
 - An ineligible or suspended player is used.
 - An ejected player refuses to leave the premises.
 - A team fails to field the minimum number of players by the scheduled game time.
 - Continued unsportsmanlike conduct after a warning by the umpire or authorized official of the Brookfield Parks & Recreation Department.
 - Should both teams forfeit a game due to ineligible players, then both teams will receive a loss in the standings.
 - The Parks, Recreation & Forestry Department should be contacted at least three days prior to game date if a team plans to forfeit its game.
 - Games will NOT be rescheduled to accommodate teams with players not available on scheduled dates.
 - Intentional violation of the minimum playing time rule may result in the forfeiture of the game.
