Justin Hawthorne's bloodline has protected Four Paths for generations from the Gray -- a lifeless dimension that imprisons a brutal monster -- but Justin has not inherited his family's powers. Violet Saunders's family moves to Four Paths after her sister's death; her mother belongs to one of the revered founding families of the town. Harper Carlisle lost her hand to an accident that left her stranded in the Gray for days, and has vowed revenge on the person who abandoned her: Justin Hawthorne. The Gray is growing stronger every day, and when Violet accidentally unleashes the monster, the three teenagers must band together to unearth the dark truths behind their families' abilities.

YA FICTION HERM CHRISTINE LYNN

Betty, Veronica, Cheryl, and the rest of the River Vixens are heading out of town for the weekend on a cheerleading retreat. So Archie, Jughead, and the rest of the guys decide to have a poker night at La Bonne Nuit. But a storm causes the power to go out, and the speakeasy goes into lockdown. When the lights come back on, all of the cash is gone. The thief has to be someone the guys know -- but who? A few hours away, the River Vixens are ready to enjoy a few days of nature and team bonding. But when they arrive at the cheerleading camp, there are two other feuding squads already there. The team from Stonewall Prep claims that the Greendale girls are the reason one of their teammates went missing two years ago. Betty and Veronica volunteer to investigate after creepy things start happening all over camp. And when one of the cheerleaders nearly drowns in the lake, B&V know they have to find out the truth before anyone else gets hurt -- or worse.
