## NEW BOOKS

Cendrillon de Louvois has more grace, beauty, and charm than anyone else in France. While she was once the darling child of the king's favorite adviser, her father's death has turned her into the servant of her stepmother and cruel stepsisters--and at her own chateau, too! Cendrillon--now called Cinder--manages to evade her stepmother and attend the ball, where she catches the eye of the handsome Prince Louis and his younger brother Auguste. Even though Cendrillon has an immediate aversion to Louis, and a connection with Auguste, the only way to escape her stepmother is to compete with the other women at court for the Prince's hand. Soon, as Cendrillon glows closer to Auguste and dislikes the prince more and more, she will have to decide if she can bear losing the boy she loves in order to leave a life she hates.

YA FICTION DE LA CRUZ MELISSA

Tress Montor murdered Felicity Turnado but she might not have to live with the guilt for long. With an infected arm held together by duct tape, the panther who clawed her open on the loose, and the whole town on the hunt for the lost homecoming queen, the odds are stacked against Tress. As her mind slides deeper into delirium, Tress is haunted by the growing sound of Felicity's heartbeat pulsing from the "best friend" charm around her fevered neck. Ribbit Usher has been a punchline his whole life from his nickname to his latest turn as the unwitting star of a humiliating viral video. In the past he's willingly played the fool, but now it's time to fulfill his destiny. That means saving the girl, so that Felicity can take her place at his side and Ribbit can exact revenge on all who have done him wrong which includes his cousin, Tress. Ribbit is held by a pact he made with his mother long ago, a pact that must be delivered upon in four days.
