B. Plumbers to Be Licensed. All plumbing work shall be done only by a plumber licensed by the state of Wisconsin. The city of Brookfield allows the owner/occupant of a single-family dwelling who has occupied the dwelling for at least thirty (30) days to perform plumbing installation upon such premises. A plumbing permit must be obtained and inspections are required. The plumbing installation shall be performed by the owner/occupant only. No one else shall be permitted to perform such installation unless licensed by the state of Wisconsin as a master plumber. Owners may not install their own plumbing in a new construction home installation.
