

## Vaccination Opportunities | March 8 and Later

Residents who are [eligible](#) to receive the COVID-19 vaccine can sign up now for Waukesha County's Registration and Standby List. We will use this list to send invites out for upcoming appointments the week of March 8 and beyond.

Waukesha County is currently focusing on vaccinating adults 65 and older, until at least 60% of that population has received at least one dose of the vaccine.

### [Sign Up for the Registration and Standby List](#)

#### **To Sign Up for the Registration and Standby List**

Click the link above to register to be on a waiting list for any appointments that will be available in the next few weeks.

- Individuals on the list will be invited to register for appointments or **may be contacted on short notice** if more doses of vaccine become available.
- The number of appointments will be based on the number of vaccines Waukesha County receives each week.
- If appointments are unfilled or canceled, or extra doses of vaccine are available, the next individuals on the list will be offered an opportunity to schedule any open appointments.
- **New!** We have updated our list to prepare for newly eligible groups. Be sure to select which eligibility group you belong to. Eligibility will be verified prior to the appointment.
- Invitations to register will go out first to eligible individuals in priority groups in the order that they signed up.

#### **More Information**

Everyone will have the opportunity to be vaccinated. However, this process will take time as vaccine quantities are limited.

More opportunities will be announced as they are available. Please continue to monitor your email for updates.

We are working to connect residents with vaccine as quickly as possible. More information clarifying this process will be available soon. We thank you for your ongoing patience.
