23. Like all families, the City of Brookfield needs to live within its budget. What this means in planning for the City budget is the need to establish priorities. Revenues to fund core City services (taxes, fees, etc.) may not always keep pace with the cost of providing such services. If revenues were not adequate to maintain City services at current levels, please indicate the budgeting strategies or approaches you would support for each of the services listed below. **(Mark all that apply.)**
