

# Brookfield Public Library Adult Summer Reading Program 6/5/23–8/12/23

**If you are 18+ or have graduated from high school in 2023, you are eligible for the Adult Summer Reading Program (ASRP).**

You will be using **Beanstack** (available as both a website and app) to register, log the books you read, log the activities you complete and enter drawings to win prizes.

(see [Beanstack brochure](#) for specific instructions)

## Logging Books Read

- ◆ Each time you finish a book, you will be able to log the title on Beanstack to earn a badge. You can earn up to 30 badges. This is the quickest & most convenient way to log your items. Not using Beanstack? Fill out a book-mark and put it in the box at the ASRP table.
- ◆ For each book logged and badge earned, you earn 1 ticket to enter into one of the 3 prize drawings.

## Logging Activities

- ◆ Each month, you can get a different activity sheet from the ASRP table to complete.
- ◆ Show the Adult Reference Desk staff your completed sheet for a code you can enter on Beanstack to earn a badge and 3 tickets to enter into one of the 3 prize drawings.

## **More on Logging Activities**

- ◆ You can only do each activity sheet once.
- ◆ The activity sheet must be turned in during the designated month on the sheet to earn the tickets.

## **All-library All-together Scavenger Hunt**

- ◆ Grownups and youngsters will work together to find all 10 country flags using clues found throughout the library. To start, pick up the scavenger hunt sheet (which includes the first clue) at the ASRP table. It will lead you to a series of clues (marked by flags) and ultimately a small prize available at the Adult Reference Desk.
- ◆ Want to do this on your own? If you are a grownup, no problem! Also, hints are available at the Adult Reference desk, but only if you are stumped.

## **Prize Drawings**

- ◆ The drawings for each of the three prize packages will take place the week of August 14.

**Please see staff at the Adult Reference Desk if you have any questions.**
