Applicant Signature - The applicant agrees to comply with all municipal ordinances and with the conditions of this permit. The issuance of the permit creates no legal liability (expressed or implied) of the department, municipality, agency or inspector, and certifies that all the above information herein is accurate. Failure to comply may result in suspension or revocation of the permit or other penalty. Commercial and multi-family projects shall include state-approved heating plans. For a new residential building; heating plans, heat loss calculations &/or specifications, or specific equipment installation plans are required. Final inspections are mandatory. Work started prior to receiving an approved permit will result in a double fee.
